

Dear Priyanshu Singh,

Tutedude is happy to get you on board as a **Sales and Marketing Intern**. We created Tutedude to help students who were looking to get mentored in their field of passion/interest and expect you to proceed with your internship keeping the same idea in your mind.

Your internship begins on 01 May 2021 and the first month ends on 31 May 2021. Throughout your internship period, you would be led by Marketing Heads who will provide you with Learning and Development sessions while also helping you solve the problems that you would face while achieving your targets. Your initial tasks will also be communicated to you by them. On successful completion of the internship, you will receive an Internship Certificate and a LOR, if your head believes that you excelled in your role. This is a performance-based paid internship opportunity in which you will get 20% of the sale generated by you as your stipend.

We hope you have a great learning experience with us and grow in the process of this internship

Thank You!
